Enrollment

Upon enrollment in TIBS, students choose a core curriculum. All courses must be taken in sequence and can only be taken in the semester identified. TIBS offers the following programs: Associate of Theology, Bachelor of Theology, Master of Theology, Doctor of Theology, Associate of Religious Education, Bachelor of Religious Elementary Education, Bachelor of Religious Secondary Education, Certificate of Church Music Administration, Diploma of Church Music Administration, Certificate of Church Office Administration, Diploma of Church Office Administration, and Certificate of General Studies. Each course of study has a predetermined curriculum that must be completed to be awarded a diploma.

Withdrawal from School

There will be penalties incurred when a student withdraws from school. Much counsel should be sought before this decision is made. To withdraw from school, the student must notify the President in person, turn in student badge, and keys to mailbox and dorm.

A student who withdraws from school after orientation will owe fees for the semester, tuition and room and board according to the following schedule:

- 1-7 days after orientation week 25%
- 8-14 days after orientation week 50%
- 15-21 days after orientation week 75%
- 22 days after orientation week 100%

If the student withdraws by the end of the 4th week of classes, a grade of "W" will be put on the student's permanent record. If the student withdraws after the beginning of the 5th week of classes, a grade of "W-P" if passing or "W-F" if failing will be put on the student's permanent record.

Any student living in the dormitory, but not enrolled in classes will be charged room and board on a weekly rate basis.

Should a student officially withdraw after having paid more than the amounts outlined above, a refund will be made for any over-payment. No other refund will be made to a student for any other reason. No refunds will be issued until after the third week of the semester.

Re-Enrollment

A student who withdraws from school for any reason and wishes to return to TIBS must submit a new application for enrollment. When a student is not enrolled in classes during a semester, he is considered to have withdrawn from the Seminary. To return, he also must submit a new application for enrollment.

STUDENT LIFE

Code of Conduct

Texas Independent Baptist Seminary & Schools is dedicated to educating and training God-called servants of Jesus Christ for work in New Testament Baptist churches and their ministries. In the area of leadership, strong Christian character and a disciplined, self-denying life is vital. Philippians 1:27, *"Only let your conversation be as it becometh the Gospel of Christ..."* I Timothy 3:2, *"A bishop then must be blameless..."* We train people, called of God, to win souls to Christ, to baptize them, and to teach them the Word of God. Leaders must also understand the importance of a visible Christ-honoring life on display to their converts and other church members. The Word of God explains it this way in I Corinthians 11:1, *"Be ye followers of me, even as I also am of Christ."*

Discipline

In order to assist and encourage its students to develop strong Christian character, TIBS maintains a reasonable and just, yet firm, system of discipline. Failure to observe policies or an infraction of a regulation will result in a measure of discipline stipulated as "offenses" and/or "demerits".

Demerits

When a student receives demerits, he will receive a copy of his entire demerit record via email with new demerits highlighted.

- Students are to acknowledge receipt of said demerits within twenty-four (24) hours or receive additional demerits.
- The student's demerit record becomes a part of his permanent record when his demerits total more than 10 per semester.

- Demerit accumulation ends at the end of each semester.
 - Fall Semester: Begins on the first day of orientation week in August; ends after the Christmas Brunch in December.
 - Spring Semester: Begins on the first day of orientation week in January; ends the graduation ceremony.

Disciplinary Procedures

The following list indicates the required disciplinary action taken for specific demerit levels.

Demerits Action Taken

25 – One-day suspension from classes with work detail

50 – One-day suspension from classes with work detail

75 – One-day suspension from classes with work detail

100 – Expulsion

Appeals Process

If a student believes, for any reason, they have unjustly received demerits, they are encouraged to appeal them. Students must appeal the demerits before suspension or expulsion is scheduled to avoid the suspension or expulsion. The following procedure must be followed if a student wishes to appeal a set of demerits:

- The student must submit a Demerit Appeals within one week of receiving record from the registrar in the form of an email to the appropriate Disciplinary Officer stating:
 - Description of the demerits in question:
 - Number of demerits given
 - Date demerits were given
 - Name of authority issuing demerits

- Defense statement
- Written statements from two witnesses must be attached to the Demerit Appeal supporting the student's defense statement in Word format.
- Upon receipt of the Demerit Appeals email and the emailed witness statements, the Disciplinary Officer will review the case and make a decision.
- If a student is unsatisfied with the decision of the Disciplinary Officer, he/she may appeal to the next level of Disciplinary Officer within one week.

Suspension

A student may be suspended for excessive demerits. Suspensions will be served on the first Wednesday of class the week after the demerits are posted during the student's scheduled class time. A written memo will be sent to the student and their teachers notifying them of the dates of the suspension.

If the suspension day is scheduled during final exam week, the student may attend class and take the exam, but will receive an absence.

The days missed by a student while suspended must be handled in accordance to the regular absence procedure.

Expulsion

A person may be expelled for accumulating 100 demerits before the end of the current semester.

If a student receives enough demerits to bring his total to 100 or greater during the last two weeks of the school term, the following policy will be implemented:

- From 100 to 110 demerits: 25 demerits will be added to the next semester's demerit record.
- From 111 to 115 demerits: 50 demerits will be added to the next semester's demerit record.
- From 116 to 120 demerits: 75 demerits will be added to the next semester's demerit record.
- 121 demerits or greater: expulsion for the next semester.

When a student has been expelled, he must wait six months from the date of expulsion before making a new application for enrollment.

Students who have been expelled two semesters in a row must wait one year from the date of expulsion before making a new application for enrollment.

The following takes place upon expulsion:

- A telephone call is made to the student's parents or guardian and home pastor.
- Students will be responsible for payment of total semester's school bill.
- Post office, dormitory keys and student identification cards are to be turned in.

- Arrangements are made for immediate departure within 24 hours.
- Communication between expelled students and currently enrolled students may be restricted by the Chancellor; in which case, any communication between currently enrolled students and expelled students must be submitted to the administration for approval. (5 demerits)

If after 15 demerits, the student chooses to violate the dress code, they will be dealt with directly by the Chancellor and President.
- 2) Anything the Administration considers to be extreme or immodest will not be permitted. The Administration reserves the right to determine if dress or appearance is appropriate. Projects can be broken up into various parts, but all parts cumulatively cannot exceed allotted percentage of overall grade. All projects must be received by the scheduled date on the Academic Calendar. If project is a research paper, and this is the preferred project format, it must adhere to the following guidelines:
 - Undergraduate research papers are to be a minimum of 2,500 words (a maximum of 5% of the total wording can come from direct quotes), Thesis papers 50,000 words, and Dissertations 100,000 words.

- Papers must be typed in Calibri, Arial or Century Gothic - 12 point, double-spaced with 1 inch margins, no script fonts, and in Word format.
- Paragraphs must be indented left .5 inches.
- Page numbers are to be in the lower center or upper right hand corner, beginning with the first page of text and not the title page.
- There must be a title page, and the title must also be present on the first page of the text.
- Papers should be written logically, persuasively, and focused on the chosen topic; include a succinct introduction that informs the reader concerning the subject of the paper, and a succinct conclusion that summarizes the main points and expresses the resulting conclusion.
- Footnotes, rather than endnotes, are to be used to reference all source material.
- All work should be proofread, as errors in spelling, grammar and syntax will reduce the overall grade.
- At the faculty member's discretion, research papers, theses or dissertations may be submitted digitally.
